

STATEMENT OF PURPOSE

RS19191

This bill will remove lay members of the state board of dentistry from the Public Employee Retirement System of Idaho (PERSI) by changing the payment they receive from compensation to an honorarium under Idaho Code 59-509. It also raises the renewal fee cap from \$600 to \$1000 dollars.

FISCAL NOTE

The PERSI change would have no fiscal impact on the General Fund and very little on dedicated funds. The fee cap would require a change by board rule in order to impact the Bureau of Occupational Licenses dedicated fund.
